**Market Commentary**

**WOOL PRICES SLIGHTLY UP**

**PORT ELIZABETH** - Supported by a slightly weaker currency and strong buying by grease wool exporters, this week's wool sale saw the market strengthening slightly and Cape Wools' market indicator lifted 1% to finish at R26,25/kg (clean).

The rand was slightly weaker against the US dollar compared with last week, and fell by around 3% against the Euro and Australian dollar. Middle micron wools posted the biggest gains with 22 microns gaining almost 2%.

Grease wool exporter Modiano completely dominated the market, buying 4 737 bales out of the total offering of 9 624 bales. Other major buyers were Beier Finances (1 002 bales) Stucken (898 bales) and Chargeurs Wool (813 bales). Current lower price levels seem to scare off some growers as receipts into brokers' stores are down 5,6% compared with the corresponding period last season at 18,2 million kg.

Average clean prices for good quality long (75 - 95mm) Merino fleeces (spinners' and good topmakers' styles) were as follows: 19 microns were up 0,7% to close at R43,74/kg, 20 microns were down a marginal 0,1% at R38,25/kg, 21 microns gained 1,9% at R35,86/kg, 22 microns rose 0,6% at R34,25/kg, 23 microns gained 0,9% at R32,93/kg, 24 microns were 0,9% dearer at R31,30/kg, but there were no quotes for 25 microns.

Approximately 10 500 bales will be offered at next week's sale.
